## Transport

If you have indicated that you would like transport, and given consent, then the following timings will apply.

**9-1 pm sessions:** Children will be collected between 8am and 8:45am. Please ensure the children are ready for collection at the earliest time. Children will be returned between 1:15pm and 2pm.

*Please be aware there may be slight variations to these times due to traffic and road conditions. We will reach you safely as soon as is practicable.*

**A full Transport Policy is available upon request.**

### **\*Swimming**

On week 2 – we will transport the children via mini-bus to The Waie Inn for a swim in their pool. The session will last an hour to include changing time. Our party will have exclusive access to the pool during this hour and it is recommended to have swimwear on underneath clothing to save time\*\*. We do have access to a municipal changing

room too. 3 Adults will be in the water with the children and we even have our own qualified life guard, Evie coming along too! A separate form will be sent home to request consent to take your child off site for this activity.

\*\*Please provide your child with their own swim wear, towel and swimming aids such as arm bands and goggles. If you do not have these items, and need them please contact [admin@appletriefarmservices.co.uk](mailto:admin@appletriefarmservices.co.uk) no later than Fri 29<sup>th</sup> July and we will aim to provide them.

**Self Guided Tour and Lunch - Monday 29<sup>th</sup> August – 11-2pm** - All children from this year's HAF and their families (up to 3 extra people) are invited to join us on this day for a self-guided tour of the farm with their child(ren) and then for some lunch.
